

Information for students from the USA

“Nottingham is the nearest Britain has to a truly global university, with campuses in China and Malaysia modelled on a headquarters that is among the most attractive in Britain.”

The Times Good University Guide 2012

A world-class university

With over 42,000 students from more than 150 countries, award-winning campuses in the United Kingdom, China and Malaysia and strong links with universities around the world, The University of Nottingham has a diverse community creating an inspiring place to study and work.

We have five faculties and a wide range of departments offering over 350 undergraduate and over 360 taught postgraduate courses with MRes and PhD opportunities across a constantly evolving range of disciplines. Our innovative and top-quality teaching is informed by the latest research and delivered by hundreds of specialist, cross-faculty research groups.

The University of Nottingham is a founder member of the Russell Group, the UK equivalent to the US Ivy League, which represents a group of leading UK universities committed to maintaining the very best research, an outstanding teaching and learning experience and unrivalled links with business and the public sector.

Campuses

Nottingham is famous for its beautiful campuses. Each one has a distinct style and personality. Our University Park Campus is widely regarded as one of the most attractive campuses in the country, with established woodland, landscaped gardens and period buildings set around a large boating lake. A mile from University Park, Jubilee Campus is an award-winning, forward-looking campus that combines striking architecture, innovative technology and green spaces. Our Sutton Bonington Campus is set in beautiful south Nottinghamshire countryside, and occupies a spacious 100-acre site with its own teaching and learning facilities, sports centre, student guild, social amenities and halls of residence.

The University also has two campuses in Asia. Our China Campus covers 140 acres of landscaped parkland in a dynamic education zone in Ningbo, a historic city on China's eastern coast, around a two-and-a-half hour drive from Shanghai. The Malaysia Campus is a 125-acre self-contained and self-sufficient neighbourhood in a garden environment. The Campus overlooks green hills, and is situated 35km south of Kuala Lumpur city centre.

Nottingham city

Located in the heart of England, Nottingham is a vibrant and versatile city, rich with heritage and culture. You can visit the haunts of Robin Hood or venture into the city's caves and castle.

Nottingham is officially rated as one of the best cities for shopping outside of London and has a wide range of sporting venues including the National Ice Centre and the National Water Sports Centre. The city's nightlife is legendary with live music venues, clubs, theatres and bars.

Nottingham was named one of the best and safest places for a night out in the UK in 2011 and is one of only 16 places in the UK to have a Purple Flag Award in recognition of its efforts to be a safe and pleasant place to be after dark.

Nottingham is less than two hours travel from London, with excellent transport links to the capital and the rest of the UK.
